Note:

FEDERATIONS' RESPONSIBILITY: ELIGIBILITY CHECKS/COMPLAINTS

As always, thorough screening of amateur eligibility will be of great importance. IMMAF will continue to screen all registered athletes, but we must stress that all national federations are responsible for checking the background of the national team athletes, as the best way to ensure that no stone is left unturned.

National federations should do an online search of all team athletes before registering them as participants.

Version 2.2, April 29th 2019

It is not uncommon for 100% amateurs to be referenced as professionals online – this cannot be ignored and may affect the process of registering your athletes, including removal from the bracket until further notice.

If there is any online information to suggest that an athlete is professional such as: records, videos or articles, IMMAF will work to confirm the accuracy and thus the status of professional or amateur. No athlete will be able to compete until amateur status can be confirmed and immediate assistance from the national federation will be essential.

BEFORE THE EVENT

National federations are welcome to research all opponents, as they are listed per weight category on MyNextMatch.com following the registration deadline. This should be enough time to contact IMMAF **BEFORE** the event, if you wish to express any concerns or findings. No athlete will be kicked from the event once it has started.

DURING THE EVENT

Once athletes are checked in at the event, there will be no going back. From this moment, all athletes will be considered clear of eligibility checks. If a professional veteran is suspected to have competed, IMMAF will address this with the federation in question post event.

Please contact Jordan via curran@immaf.org for assistance in how to screen your nation's athletes or if you have any concerns regarding opponents.

All participants require **to have** MINIMUM TECHNICAL STANDARD of a yellow belt/grade according to IMMAF Progression scheme, or **actively working towards it**.

5 – Athlete Sponsor Guidelines

Please see the document for athlete sponsor guidelines found here - https://www.mynextmatch.com/tournament/128/details/national_team/feed

6 - Athlete Screening

Please see https://www.mynextmatch.com/tournament/128/details/national_team/feed for the Athlete screening process document.

If any professional records are detected by IMMAF-WMMAA after the registration deadline without prior notification, the National Federation will incur a fine of £100 for each athlete who is listed as professional, regardless of website error.

Version 2.2, April 29th 2019

21 – Anti-Doping

Anti-doping controls will be conducted in accordance with the IMMAF Anti-Doping Rules and the World Anti-Doping Agency Code.

We would like to remind you that according to IMMAF Anti-Doping Policy regulations, from 2016, urine and/or blood testing may be conducted during IMMAF Competitions. Participants should therefore check that all medications they use AT ANY TIME are permitted under this Policy. Absolute caution is advised in respect of all supplements, which are unregulated products, often poorly labelled; many supplements have been known to contain prohibited substances. Each participant is strictly liable for any prohibited substance found in their body or supplied to/by them.

If a participant has a medical condition requiring the use of a prohibited substance, this must be approved and authorised by a valid Therapeutic Use Exemption. If there is no permitted alternative and this treatment is justified by professional diagnostic evidence, they will need to apply for a Therapeutic Use Exemption (TUE). Participants must apply to their national anti-doping organisation at least one month before competition. Participants are responsible for ensuring that their approved applications are submitted to IMMAF through tue@immaf.org no later than Saturday 20th July (2359hrs GMT). If emergency treatment with a prohibited substance is required after this date, their TUE application must be sent to the national anti-doping organisation with a copy to IMMAF explaining why a retrospective application has been submitted. No guarantee of approval of use may be assumed; continued participation is at their own risk of committing a violation.

22 – Medical Clearance

Competitors need to ensure that their annual medical examination is in good standing as per IMMAF-WMMAA's competition medical requirements.

PLEASE NOTE: The current policy of the IMMAF medical commission is that blood work is NOT needed for Youth (U18's) tournaments

The cut-off date for submission of all correctly completed AND correctly submitted medical forms is Saturday, 20th July 2019.

In order to be medically cleared to compete in the 2019 IMMAF-WMMAA Youth MMA World Championships (U18's) each athlete must provide:

Version 2.2, April 29th 2019

- a) a completed **Annual Medical Examination form**, dated within one year of the final day of competition - so on or after 5th August 2018
- b) all documentation must be sent as an email attachment in PDF form (**ideally one complete PDF per athlete**) through the team Medical Safety Lead (**see Note 1 below*) to: safemma@immaf.org **Please Note: we strongly recommend submitting all forms at least one week in advance of the deadline so that any mistakes or omissions can be addressed BEFORE the cut-off date, thus avoiding any Late admin fees (*see Note 2 below)*
- c) there is NO need to resubmit forms previously received and accepted by SafeMMA - details of exactly which records we hold and the relevant dates can be found on your 'team card' (**see Note 1 below*)

The most current versions of forms and further information can be found here:
<https://safemma.org/immaf-under18s/>

Note 1: MEDICAL SAFETY LEAD & TEAM CARD

Each team must nominate a Medical Safety Lead. Your MSL acts as the single point of contact through whom we expect to receive all medical documentation, and with whom we share important updates, as well as your 'team card' - the web-based tool through which precise details of the medical clearance status of each of your athletes can be tracked.

The role is purely administrative - no prior medical knowledge or experience is required. Please let us know if you require details of your MSL, or wish to nominate someone new to the role.

Note 2: ADMINISTRATION FEES FOR LATE SUBMISSIONS

The cut-off date for submission of all CORRECTLY COMPLETED and CORRECTLY SUBMITTED medical forms is Wednesday, 5th June 2019.

Please ensure forms are submitted at least one week in advance of this so that any mistakes or omissions can be addressed before the cut-off date. Forms must be received through the nominated MSL, ideally as one complete PDF per athlete.

Version 2.2, April 29th 2019

- a **£20 Late admin fee** will be payable direct to SafeMMA by or for any athlete whose correct & complete documentation has not been received by the cut-off date of **Saturday, 20th July 2019** (2359hrs GMT)

- a **£40 Late admin fee** will be payable direct to SafeMMA by or for any athlete whose correct & complete documentation has not been received one week after the cut-off date, so by **Saturday, 27th July 2019** (2359hrs GMT)

- an **£80 Late admin fee** will be payable direct to SafeMMA by or for any athlete whose correct & complete documentation has not been received more than 2 days before the start of competition, so by **Wednesday, 31st July 2019** (2359hrs GMT)

Important information:

- **Other than in exceptional cases (such as with late injury replacements) the Late admin fees detailed above WILL be strictly enforced WITHOUT exception.**

- If a Late admin fee is due, NO documentation will be reviewed, or even considered as having been received, until that fee has been paid.

- If a Late admin fee is due and not received before a further deadline has been passed, the higher fee will be payable in order for that athlete's documentation to be reviewed.

- The review of any documentation received after the cut-off date is subject to the availability of resources, and at the discretion of SafeMMA and the IMMAF Medical Committee.

For the record, late admin fees are NOT intended to raise revenue. They have solely been introduced to focus attention on the importance of complying with deadlines so that we can continue doing the work we do effectively with the resources we have - the alternatives being raising fees for everyone or removing athletes from the tournament. We would be delighted if not a single late admin fee was ever incurred! Please work with us to achieve this and get your athletes' documentation arranged in good time. If you have any comments, issues or questions regarding this, or any medical matter, please email us at: safemma@immaf.org

23 – Insurance of Competitors

The competitor competes under the full responsibility of their National Federations Insurance. Each national federation is responsible for insuring its competitors against “injury and third party risk (public liability)” during the period of the event. The International Mixed Martial Arts Federation and the Federazione Italiana Grappling Mixed Martial Arts / Italian Grappling and Mixed Martial Arts Federation (FIGMMA) decline all responsibility.

Version 2.2, April 29th 2019

24 – Media

Journalists can apply for media accreditation by sending their requests directly to the organiser at carnwath@immaf.org

When journalists are travelling as part of a National Federation Team please indicate this, so they may be treated as part of your party.

b) IMMAF Media Team

Every day after a match, some competitors may be requested to attend media interviews following their post-fight medical examination. On days where Anti-doping testing takes place, the interview will be conducted following the post-fight medical and before the Anti-doping testing. Competitors may wear their own sponsor apparel for the media interviews.
