PRESIDENT'S FOREWORD

Dear Members,

On behalf of the IMMAF board, I am excited to be able to invite members from the Pan Americas to take part in our first Championships on the continent in three years – the 2022 IMMAF Pan American Championships in Monterrey, Mexico from 21 – 24 June.

Hosted by the Mexican Federation of Mixed Martial Arts (FAMM) at the Gimnasio Nuevo León Independiente, the tournament will provide the long-awaited opportunity for Pan American amateurs to test and showcase their talent on the IMMAF platform close to home. IMMAF's return to events in Europe and the Middle East over the past year has demonstrated our athletes' and federations' hunger and commitment to the sport in the face of the pandemic, with a tangible increase shown in competitiveness and skill level.

Since IMMAF's last Pan American Championship in 2019, we have welcomed new members from across the continent representing Argentina, Aruba, Barbados, Bolivia, Cayman Islands, Guatemala, Guyana, Paraguay, Puerto Rico, St. Martin, St. Lucia, Uruguay, and Venezuela. And so, we can also expect an expansion in talent and styles to provide a further boost to the level of competition. The Americas continue to be a region of strong focus for us as we have been working to facilitate the relaunch of the USA federation and to foster sports development in Brazil in particular.

It is right that FAMM should host our Pan American Championships as one of our strongest federations internationally in terms of youth and athlete development and their national competition circuit. The federation has a track record of producing world-level medalists', such as Sara Cova, Nadia Vera, Daniela Hernandez, Valeria Gomez and Diego Torres, while the Mexican team is known for its energy and bringing the party to IMMAF events, and so we expect a spirited competition atmosphere in Monterrey.

With everything to gain from taking part in terms of development and experience, athletes and teams will also earn ranking points for IMMAF's World Amateur MMA Rankings that see top-performing athletes seeded for the 2022 IMMAF World Championships.

I urge you not to miss out. Join the IMMAF family in reigniting international amateur MMA competition in Pan America, as the USA prepares to host the 2028 Olympics and we continue our journey towards Olympic recognition.

Yours in MMA,

Kerrith Brown OLY
IMMAF President

There will be no option for late annual medical examination or blood tests.

Following this the official weigh-in & pre fight medical for each weight category is held each morning of competition (See 2 program. Athletes must present their IMMAF accreditation card and his/her passport (National ID Cards showing nationality and date of birth are also accepted).

Only athletes that are set to compete on that day must attend that competition day weigh in. Competitors with byes are not expected to weigh in.

Any athlete who does not show up within the designated weigh in times or fails to make weight will be excluded from competition. Athletes will only have one chance at making weight on the official scales.

A set of test scales will be available for one hour before the official weigh in. This is to facilitate athletes who wish to check their pre-fight weight before stepping onto the official weigh in scales.

Outside of the official weigh in times test scales available on the same morning and a set of scales will be made accessible throughout the competition.

Athletes must present their accreditation card and passport or National ID Card showing nationality and date of birth.

<https://mynextmatch.com/tournament/189/details>

REFEREES & JUDGES

Each federation may put forward recommended competition officials through the IMMAF NTO (National technical Officials) application process.

The organizing federation (FAMM) may enter officials as required for the realization of the tournament if a sufficient number cannot be sourced

The requirement for officiating can be found in the “Officials Selection Procedure Form” at <https://mynextmatch.com/tournament/189/details>

DRAW

The draw will take place on Tuesday 21st June 2022 at 16:30hrs @ the official hotel, Crowne Plaza Monterrey.

The top four (4) from the entered competitors in each weight category will be seeded according to the current IMMAF World Amateur MMA Ranking List.

For all divisions the competitors will be divided into a bracket by means of a “draw”, and a single elimination system will be used to produce two (2) Finalists, who will compete for the gold medal. Competitors from the same Nation can not meet in the final (unless it's a bracket of 2). Competitors from the same Nation will meet in the semi-finals provided they were victorious in previous elimination bouts.

A bronze medal will be awarded to both losing semi-finalists, even if the bronze medalist hasn't won a bout to reach the semi-finals, (for clarification, a bye is classed as a win). There will be no placement points awarded for a losing semi-finalist that has not won a bout to reach the semi-finals.

If there are only two (2) competitors in a bracket, then this will be a gold and silver medal match with the loser receiving a medal. No placement ranking points will be awarded for the loser however.

Full ranking points will be issued if there are twenty (20) or more countries competing at the event. If there are under twenty (20) countries competing, then only half of the ranking points will be issued. Please see this link for how ranking points are earned.
<https://immaf.org/athletes/rankings/>

All competitors must make weight each day they are scheduled to compete. Once a competitor loses a bout they are then out of the competition from that stage. If a competitor wins their bout but is medically suspended, they are out of the competition from that time. Please note, competitors that have byes are not required to weigh-in. Only competitors scheduled to compete on any given day must weigh in and make weight. If the competitor fails to make weight for the official weigh in, then they will be out of the competition from this time and their opponent will advance to the next round via a bye. If both opponents fail to make weight then no one advances.

CORNERS (SECONDS), TEAM LEADERS & TEAM DELEGATES

All team delegates must fully adhere to the dress code outlined for the draw and for the duration of the competition.

Dress Code for Draw: suit, with jacket and tie or national team tracksuit

Competition Days : National team tracksuit/uniform, NO caps, NO shorts OR flip flops.

- Four (4) logos can be placed on the athlete's IMMAF competition shorts, as per the diagram on the right.
- The diameter of the logos cannot be more than 3 inches (7.62cm).

- IMMAF Attire, Sponsorship and Branding Guidelines could be found [here](#).

PARTICIPATION FEE & REFUND POLICY

A participation fee of \$100 USD per competitor, team leader, team affiliates and team coaches is payable to IMMAF at pre-registration.

The cost of the competition at the 2022 Pan American Open Championships is \$100 USD per competitor, team leader, team affiliates and team coaches and the fee includes the following.

Accreditation will not be issued where entry fees have not been paid by the pre-registration deadline.

Any athlete that has not paid their participation fee by Friday May 20th 2022 will not be included in the draw. If payment has not been received and the team registered in my next match, Teams will forfeit their priority privileges.

Payment has to be made by each member federation for its whole team. Payment will be by bank wire transfer. Instructions can be downloaded here - <https://mynextmatch.com/tournament/189/details>

For clarification.

- . a) Registration via online tournament system; My Next Match. (No participation fee payment will be asked for during this part of the registration).
- . b) Participation Fees to be bank transferred to IMMAF.
- . c) When parts A + B have been done, reconciled and confirmed by IMMAF, only then will your team be officially approved and entered into the tournament.

Only registered participants who have paid the participation fee will get access to official IMMAF transportation, credentialed areas at the official hotel and the competition venue. This is for security and practical reasons. If there are persons traveling with the federation who are not needed in the arena, who don't have a key role in the team and who won't need assistance from the IMMAF, then they are welcome to attend the Pan American Championships and not pay the participation fee. They can then purchase tickets (if available) for the competition at the competition venue respectively and book their own accommodation.

The fee is a combined fee that covers some but not all of the costs that IMMAF, which is a non-profit entity, incurs for the participants. The reason that accommodation is included is that there are a lot of practical, financial and safety benefits to having all participants in the same place.

Refund policy for registered teams can be downloaded here - <https://mynextmatch.com/tournament/189/details>

ANTI-DOPING

Anti-doping controls will be conducted in accordance with the IMMAF Anti-Doping Rules and the World Anti-Doping Agency Code.

IMMAF will be responsible for planning and implementing the necessary procedures.

All participants (athletes, coaches and officials) should ensure they comply with the Anti-Doping Rules -

<https://immaf.org/wp-content/uploads/2021/12/IMMAF-Anti-Doping-Rules-2022-FINAL.pdf>.

The IMMAF Anti-Doping Rules adopt the WADA Prohibited List of Substances and Methods [WADA Prohibited List 2022](#).

Athletes should check all medications to ensure any substances used are permitted.

TUE application details are available on IMMAF's website -

<https://immaf.org/integrity/anti-doping/therapeutic-use-exemptions/#apply-tue>.

NOTE: IMMAF operates a zero tolerance on the use of needles for any purpose without medical justification.

MEDICAL CLEARANCE

Competitors need to ensure that their annual medical examination is in good standing as per IMMAF's competition medical requirements.

The cut-off date for submission of all correctly completed AND correctly submitted medical forms is Wednesday 8th June 2022.

In order to be medically cleared to compete in the 2022 Pan American Championships, each athlete must provide:

a) a completed Annual Medical Examination form, dated within one year of the final day of competition - so on or after 25th June 2021.

b) a copy of the testing laboratory result form showing clear blood test results for Hepatitis B (HBsAg), Hepatitis C (Anti-HCV) and HIV (p24 antigen and HIV 1+2 antibodies), all dated within 6 months of the final day of competition - so on or after 25th December 2021.

c) a doctor's review of blood test results, documented in either the Annual Medical Examination form or the Blood Test Review form.

**Please Note: this review does not need to be duplicated on both forms (the one page Blood Test Review form is only needed if blood test results are not being reviewed during the course of the annual medical examination!)*

d) all documentation must be sent as an email attachment in PDF form (ideally one complete PDF per athlete) through the team Medical Safety Lead (*see Note 1 below) to: immaf@safemma.org

**Please Note: we strongly recommend submitting all forms at least one week in advance of the deadline so that any mistakes or omissions can be addressed before the cut-off date, thus avoiding any Late admin fees (*see Note 2 below)*

e) there is no need to resubmit forms previously received and accepted by SAFE MMA

The most current versions of forms and further information can be found here: <https://safemma.org/immaf/>

MEDICAL CLEARANCE

Note 1: MEDICAL SAFETY LEAD

Each team must nominate a Medical Safety Lead. Your MSL acts as the single point of contact through whom we expect to receive all medical documentation, and with whom we share important updates.

The role is purely administrative - no prior medical knowledge or experience is required. Please let us know if you require details of your MSL, or wish to nominate someone new to the role.

Note 2: ADMINISTRATION FEES FOR LATE SUBMISSIONS

The cut-off date for submission of all CORRECTLY COMPLETED and CORRECTLY SUBMITTED medical forms and blood work is Wednesday 8th June 2022.

Please ensure forms are submitted at least one week in advance of this so that any mistakes or omissions can be addressed before the cut-off date. Forms must be received through the nominated MSL, ideally as one complete PDF per athlete.

- a £20 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received by the cut-off date of Wednesday 8th June 2022 (2359hrs UTC)

- a £40 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received one week after the cut-off date, so by Wednesday 15th June 2022 (2359hrs UTC)

- an £80 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received more than 2 days before the start of competition, so by Sunday 19th June 2022 (2359hrs UTC).

MEDICAL CLEARANCE

Important information:

- Other than in exceptional cases (such as with late injury replacements) the Late admin fees detailed above WILL be strictly enforced WITHOUT exception.
- If a Late admin fee is due, no documentation will be reviewed, or even considered as having been received, until that fee has been paid.
- If a Late admin fee is due and not received before a further deadline has been passed, the higher fee will be payable in order for that athlete's documentation to be reviewed.
- The review of any documentation received after the cut-off date is subject to the availability of resources, and at the discretion of SAFE MMA and the IMMAF Medical Commission.

For the record, late admin fees are not intended to raise revenue. They have solely been introduced to focus attention on the importance of complying with deadlines so that we can continue doing the work we do effectively with the resources we have - the alternatives being raising fees for everyone or removing athletes from the tournament. We would be delighted if not a single late admin fee was ever incurred! Please work with us to achieve this, and get your athletes' documentation arranged in good time. If you have any comments, issues or questions regarding this, or any medical matter, please email us at: immaf@safemma.org.

INSURANCE OF COMPETITORS

The competitor competes under the full responsibility of their National Federations Insurance.

Each national federation is responsible for insuring its competitors against “injury and third party risk (public liability)” during the period of the event.

The International Mixed Martial Arts Federation and the FAMM decline all responsibility.

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs.

The organiser of the event and the IMMAF accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

MEDIA

Journalists can apply for media accreditation by sending their requests directly to the organizer at isobel.carnwath@immaf.org.

When journalists are traveling as part of a National Federation Team please indicate this, so they may be treated as part of your party.
