# PRESIDENT'S FOREWORD

Dear Friends,

It gives me great pleasure to welcome you all to the IMMAF Amateur World Championships 2022 in the amazing city of Belgrade. This is the IMMAF flag ship event where athletes are gathering from around the world on the biggest stage for amateur MMA. Every year our world championships are growing in the number of participating athletes and nations, and this is testimony to the resilience and determination of our MMA family to move forward despite the many challenges that we have experienced the last 2 years due to Covid.

Taking on the responsibility of hosting an IMMAF world championships at short notice is no simple task and takes courage. Fortunately we have found a partner in the Serbian MMA Federation with all of the human and financial resources to make this happen, and on behalf of the IMMAF board of directors I would like to extend my gratitude and congratulations to the President of the host federation Mr. Luka Nikolic for securing these championships.

An event of this magnitude always benefits from governmental support and I would like to thank Prime Minister Ana Brnabić for her support of the championships.

We look forward to the delivery of a world class championships which promises to be the largest in the IMMAF history and I wish all of the participants every success.

**Yours in MMA,**

We invite you (or you are welcome) to the heart of the Balkan, to Serbia, where the traditional and the modern intertwine, and where we can happily say that MMA has become a favourite combat sport.

As the president of the MMA Federation of Serbia, it is a great honour for me that we will be the hosts (so the name of the world championship) in Belgrade.

I wish good health to all national teams, coaches and fighters so that they can show their best skills on the days of the championship.

Good luck to everyone and may the best win.

**Yours in MMA,**

***If any professional records are detected by IMMAF after the registration deadline without prior notification, the National Federation will incur a fine of £100 for each athlete who is listed as professional, regardless of website error.***

This Senior and Junior World Championships is for all IMMAF Member Federations. There is a limit of 32 participants for each weight category and each federation can enter a maximum of 2 entries per weight category, subject to the following criteria.

- The top 32\* ranked countries as per the IMMAF World ranking list as of 7th November 2022 have a priority option to enter one (1) athlete in each weight division by the outline cut-off date (see below).

- After this cut-off date the brackets will be opened to all national federations outside of the top 32 ranked teams who then also have a priority option to enter one (1) athlete in each weight division if there are any spaces available in the brackets by the outline cut-off date (see below).

- Top 32 Senior Rankings

- Top 32 Junior Rankings

The competitors must be of the same nationality as the National Federation, which enters them.

1. It is mandatory that competitors participating in IMMAF Championship events are nationals of the country whose team they are representing. For the avoidance of doubt, nationals are classed according to the passport(s) they hold. The IMMAF CEO retains the right to make a case-by-case decision in circumstances regarding citizenship upon reviewing relevant documents.

### Change of National Representation – Application Criteria:

2. A competitor who is a national of two or more countries at the same time may only represent one of them. After having represented one country in IMMAF competitions, he/she may not represent another country unless he/she meets the conditions set forth below which applies to persons who have changed their nationality or acquired a new nationality. An athlete is able to switch nationality only once. Before switching to represent a new national team, the competitor must wait for the current year of IMMAF events to be completed. The Athlete, via their selected national federation, will be required to present a written application outlining their request to change national representation, accompanied by supporting documents towards any of the following:

1. The athlete was born on the territory they wish to represent.
2. The athlete's biological Mother or Father was born on the selected territory.
3. The athlete's grandmother or grandfather was born on the selected territory.
4. The athlete has lived on the territory for at least five years and possesses a passport or satisfactory documentation of citizenship.

3. A competitor who wishes to represent a new nationality in order to compete in IMMAF Championships, without meeting any criteria of Article 2, may represent a new team provided that at least twelve (12) months have passed since the competitor last represented his/her former country and has possessed a valid passport for at least 2 years. The requirement for 2 years of passport validity also applies to competitors wishing to change nationality ahead of their IMMAF debut. National federations wishing to acquire an athlete who does not meet the criteria of Article 2 must inform IMMAF when the athlete first receives a new passport, ahead of the 2 years validity period.

4. Any competitor who changes nationality ahead of representing a country at IMMAF championships is responsible for presenting a written application outlining reasons for switch of nationality under IMMAF, submitted through their new federation and accompanied by supporting documents for approval upon request of IMMAF.

## **Anti-doping; WADA ADAMS System Registration:**

5. Athletes who have been registered with WADA while competing in another sport may not represent a separate nationality under IMMAF. The athlete must either withdraw from one sport or ensure that nationalities match in all sports that adhere to the WADA code. Cases of nationality clashes within WADA registration will result in the athlete being suspended from IMMAF competition until the matter is resolved.

6. It is the responsibility of national federations to ensure that application of IMMAF approval is completed ahead of any event registration deadline and that all requested documents are provided. Failure to notify IMMAF of a change of nationality or failure to provide supporting documents upon request may result in but is not limited to: disqualification of the athlete from IMMAF competition, deduction of ranking points, a team ban from the division, or a fine, following review by the IMMAF Disciplinary Committee.

Inquiries or applications should be directed to IMMAF Member Development Consultant, Jorden Curran ([jorden.curran@immaf.org](mailto:jorden.curran@immaf.org)).

## REFEREES & JUDGES

Each federation may put forward recommended competition officials through the IMMAF NTO (National technical Officials) application process.

The organizing federation (SMMAA) may enter officials as required for the realization of the tournament if a sufficient number cannot be sourced

The requirement for officiating can be found in the “Officials Selection Procedure Form” at <https://smoothcomp.com/en/event/9749>

The draw will take place on Saturday 11th February 2023 at 5pm at TBC, Belgrade.

All team delegates must fully adhere to the dress code outlined for the draw as well as the duration of the competition.

Dress Code for Draw : suit, with jacket and tie OR national team tracksuit.

Only 2 representatives from each Federation are allowed to attend the draw, representatives must reserve their draw slots during registration.

The top four (4) competitors in each weight category will be seeded according to the current IMMAF World Amateur MMA Ranking List.

For all divisions the competitors will be divided into a bracket by means of a “draw”, and a single elimination system will be used to produce two (2) Finalists, who will compete for the gold medal. Competitors from the same nation can not meet before the semi-final (unless it’s a bracket of 2).

A bronze medal will be awarded to both losing semi-finalists, even if the bronze medalist hasn’t won a bout to reach the semi-finals, (for clarification, a bye is classed as a win). There will be no placement points awarded for a losing semi-finalist that has not won a bout to reach the semi-finals.

If there are only two (2) competitors in a bracket, then this will be a gold and silver medal match with the loser receiving a medal. No placement ranking points will be awarded for the loser however.

Full ranking points will be issued if there are twenty (20) or more countries competing at the event. If there are under twenty (20) countries competing, then only half of the ranking points will be issued. Please see this link for how ranking points are earned. <https://immaf.org/athletes/rankings/>

All competitors must make weight each day they are scheduled to compete. Once a competitor loses a bout they are then out of the competition from that stage. If a competitor wins their bout but is medically suspended, they are out of the competition from that time. Please note, competitors that have byes are not required to weigh-in. Only competitors scheduled to compete on any given day must weigh in and make weight. If the competitor fails to make weight for the official weigh in, then they will be out of the competition from this time and their opponent will advance to the next round via a bye. If both opponents fail to make weight then no one advances.

All team delegates must fully adhere to the dress code outlined for the draw and for the duration of the competition.

Dress Code for Draw: suit, with jacket and tie or national team tracksuit

**Dress Code for Competition Days : National team tracksuit/uniform, NO caps, NO shorts OR flip flops.**

National Federations are to organise their accommodation needs directly via the host federation.

The hotels booked through the host federation will include daily transportation for the national teams from the hotels and venue.

Dragana Nerandzic

Email: [dragana@lifeinharmony.rs](mailto:dragana@lifeinharmony.rs)

# EQUIPMENT

Athletes will be supplied with competition gloves, shin guards, shorts and rash guards.

Handwraps will also be supplied and applied by IMMAF certified cutpersons.

## PARTICIPATION FEE

A participation fee of €500 per competitor, and €250 per team leader, team affiliates and team coaches is payable to IMMAF for the National Federations team entries.

Registration for each competitor and team delegate is via the IMMAF online tournament system at: <https://smoothcomp.com/en/event/9749>

Accreditation will not be issued where entry fees have not been paid by Friday 20th January 2023.

Only registered participants who have paid the participation fee will get access to official IMMAF credentialed areas at the competition venue. This is for security and practical reasons. If there are persons traveling with the federation who are not needed in the arena, who don't have a key role in the team and who won't need assistance from the IMMAF, then they are welcome to attend the World Championships and not pay the participation fee. They can then purchase tickets (if available) for the competition at the competition venue respectively and book their own accommodation.

The fee is a combined fee that covers some but not all of the costs that IMMAF, which is a non-profit entity, incurs for the participants.

Anti-doping controls will be conducted in accordance with the IMMAF Anti-Doping Rules and the World Anti-Doping Agency Code.

IMMAF will be responsible for planning and implementing the necessary procedures.

All participants (athletes, coaches and officials) should ensure they comply with the Anti-Doping Rules -

<https://immaf.org/wp-content/uploads/2021/12/IMMAF-Anti-Doping-Rules-2022-FINAL.pdf>.

The IMMAF Anti-Doping Rules adopt the WADA Prohibited List of Substances and Methods WADA Prohibited List 2022.

Athletes should check all medications to ensure any substances used are permitted.

If approval for the medically justified use of a Prohibited Substance or Method is required, apply to IMMAF for a Therapeutic Use Exemption by 21st January 2023. In an emergency/after this date, submit a TUE form as soon as treatment is required.

If a TUE has already been approved at national level, submit the TUE Certificate for approval as soon as possible [tue@immaf.org](mailto:tue@immaf.org)

TUE application details are available on IMMAF's website -

<https://immaf.org/integrity/anti-doping/therapeutic-use-exemptions/#apply-tue>.

NOTE: IMMAF operates a zero tolerance on the use of needles for any purpose without medical justification.

Competitors need to ensure that their annual medical examination and blood work is in good standing as per IMMAF's competition medical requirements.

**The cut-off date for submission of all correctly completed AND correctly submitted medical forms and blood work is Saturday 21st January 2023.**

To be medically cleared to compete in the 2022 World Championships, each athlete must provide:

a) a completed Annual Medical Examination form (in English or with an English language translation) dated within one year of the final day of competition - so on or after 18th February 2022.

b) a copy of the testing laboratory result form showing clear blood test results for Hepatitis B (HBsAg), Hepatitis C (Anti-HCV) and HIV (p24 antigen and HIV 1+2 antibodies), all dated within 6 months of the final day of competition - so on or after 18th August 2022.

c) a doctor's review of blood test results, documented in either the Annual Medical Examination form or the Blood Test Review form.

\*Please Note: this review does not need to be duplicated on both forms (the one-page Blood Test Review form is only needed if blood test results are not being reviewed during the annual medical examination!)

d) all documentation must be sent as an email attachment in PDF form (ideally one complete PDF per athlete) through the team Medical Safety Lead (\*see Note 1 below) to: [immaf@safemma.org](mailto:immaf@safemma.org)

**\*Please Note: we strongly recommend submitting all forms at least one week in advance of the deadline so that any mistakes or omissions can be addressed before the cut-off date, thus avoiding any Late admin fees (\*see Note 3 below)**

e) there is no need to resubmit forms previously received and accepted by SAFE MMA

The most current versions of forms and further information can be found here: <https://safemma.org/immaf/>

## **Note 1: MEDICAL SAFETY LEAD**

Each team must nominate a Medical Safety Lead. Your MSL acts as the single point of contact through whom we expect to receive all medical documentation, and with whom we share important updates.

The role is purely administrative - no prior medical knowledge or experience is required. Please let us know if you require details of your MSL or wish to nominate someone new to the role.

## **Note 2: INTEGRITY**

If we suspect a document is forged, we will investigate.

If a document is proven to be a forgery, we will charge the athlete or their team a fee for our investigation. The fee will be £40 per hour, with a minimum of 3 hours.

**Please do NOT submit forged documents! It endangers athletes and costs more in the long run.**

## **Note 3: ADMINISTRATION FEES FOR LATE SUBMISSIONS**

**The cut-off date for submission of all CORRECTLY COMPLETED and CORRECTLY SUBMITTED medical forms and blood work is Saturday 21st January 2023.**

Please ensure forms are submitted at least one week in advance of this so that any mistakes or omissions can be addressed before the cut-off date. Forms must be received through the nominated MSL, ideally as one complete PDF per athlete.

- a **£10 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received by the cut-off date of Saturday 21st January 2023 (2359hrs UTC)**
- a **£20 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received one week after the cut-off date, so Saturday 28th January 2023 (2359hrs UTC)**
- a **£40 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received two weeks after the cut-off date, so by Saturday 4th February 2023 (2359hrs UTC)**
- an **£80 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received more than 2 days before the start of competition, so by Thursday 9th February 2023 (2359hrs UTC)**

### **Important information:**

- Other than in exceptional cases (such as with late injury replacements) the Late admin fees detailed above WILL be strictly enforced WITHOUT exception.
- If a Late admin fee is due, no documentation will be reviewed, or even considered as having been received, until that fee has been paid.
- If a Late admin fee is due and not received before a further deadline has been passed, the higher fee will be payable for that athlete's documentation to be reviewed.
- The review of any documentation received after the cut-off date is subject to the availability of resources, and at the discretion of SAFE MMA and the IMMAF Medical Commission.

For the record, Late admin fees are not intended to raise revenue. They have solely been introduced to focus attention on the importance of complying with deadlines so that we can continue doing the work we do effectively with the resources we have - the alternatives being raising fees for everyone or removing athletes from the tournament. We would be delighted if not a single late admin fee was ever incurred! Please work with us to achieve this and get your athletes' documentation arranged in good time. If you have any comments, issues or questions regarding this, or any medical matter, please email us at: [immaf@safemma.org](mailto:immaf@safemma.org).

# INSURANCE OF COMPETITORS

[immaf.smoothcomp.com](http://immaf.smoothcomp.com)

Page 23

The competitor competes under the full responsibility of their National Federations Insurance.

Each national federation is responsible for insuring its competitors against "injury and third party risk (public liability)" during the period of the event.

The International Mixed Martial Arts Federation and SMMAA decline all responsibility.

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs.

# ATHLETE MEDIA OBLIGATIONS

## a) Television

It is a mandatory obligation for all athletes to complete television interviews and photograph sessions for IMMAF's production team, if requested. Team Leaders or the athlete themselves will be notified in advance if an athlete's attendance is required.

For official interviews and photographs (which are used for TV graphics), athletes will need their Greenhill competition wear and also their national team t-shirt.

Official television interview will be in English, so please arrange for a person to translate for your athlete if needed.

## b) IMMAF Media Team

Every day after a match, some competitors will be escorted for a short interview with the IMMAF Media Team following their post-fight medical examination. The interview will be for use on IMMAF media and social media channels.

On days where Anti-doping testing takes place, such interviews will be conducted following the post-fight medical and before the Anti-doping testing.

An IMMAF official will be responsible for notifying competitors of IMMAF interview requests and escorting competitors from the competition area to their post-fight medical and onto their media interview.

Competitors may wear their own sponsor apparel for the media interviews.
